Dear Parents,

28th April 2020

RE: CONTINUED COVID19 LOCKDOWN

I greet you all in the glorious name of our Lord and Saviour, Jesus Christ. I trust that you are all well under the circumstances and I pray for the Lord's continued protection over you and your households.

In these challenging times, it is reassuring to know that we have Jesus as our rock and our foundation and therefore we know with certainty that He will bring us through this assault on our liberty, health and livelihoods.

The current Corona virus pandemic appears to be dragging out longer than was originally anticipated.

At the time of writing this letter, the Minister of Education has still not indicated what Government's plans are to reopen schools. What I am certain of however is that the reopening will be phased in on a weekly basis commencing early May 2020, as the situation stands at present.

This has created a level of uncertainty in everyone both in our local and national as well as the international communities around the world.

If we all continue to be vigilant and committed in addressing and protecting ourselves against this virus, we will gain victory in the near future. Let us all give President Cyril Ramaphosa our continued and full support and to trust in the strategies and actions that he has implemented to combat this virus.

I would take this opportunity to thank our parents for fulfilling their financial obligations to the school in terms of monthly school and aftercare fee payments.

Even although the contract of tuition does specify the contractual terms to which parents are legally bound, I understand that it is a great commitment to honour these terms and conditions during this time of financial uncertainty.

I want to assure you that the management, staff and educators of this school are committed to ensure that all reasonable plans are in place to make this a successful academic year without prejudicing the phased development of your child/children.

Further to all the teaching strategies currently in place, additional plans will be implemented once we are permitted to return to normal school activities in order to correct any backlog in classwork.

Kindly do not hesitate to contact me, any other member of management or educator should you require any further clarity in this matter.

Yours sincerely

Senior Pastor Stuart Farquhar
Senior Administrator
