Dear Parent,

1st February 2022

PARENT BOARD: NOMINATIONS AND OPERATING PROCEDURES

The management of the school is guided in its decision making by a board consisting of parents of learners enrolled at this school

We therefore attach the Parent Board (Policy) operating procedures for your attention and consideration

Parents who would like to nominate themselves for membership on this board must make formal application for consideration.

We would ideally require at least 1 (one) parent representative for each grade who besides being a member of the board will also perform the liaison function between the parent board and the respective class grades

Should a parent desire to be considered for membership on the board, you would be required to make written application **by Friday 25 February 2022 to:**

- Leigh Rowbotham at lrowbotham@hebronacademy.co.za

All successful applicants will be personally contacted by Leigh Rowbotham who will set up a meeting to discuss the role and expectations of members

We look forward to hearing from you and to having you play a role in the future management of this school

Yours Sincerely

Pastor Stuart Farquhar
Senior Administrator

Pastor Virgil Viljoen
Principal
